

"And this is the commandment we have from Him, that the one who loves God should love his brother also." 1 John 4: 21

## **Heart to Heart...**

It is finally settling in religion of all sorts, especially in our young people, that hold to the belief that our Father and Judge is all-loving and will never send anyone to an eternal hell. God, who has demonstrated His love by sending Jesus to die for us, will unconditionally save us all is their mind-set. Most believe that because of the great gift and the grace of God, everyone will make it if they believe. This teaching and idea have gained a foothold among many.

With this concept of God, it is also believed that no matter how evil or corrupt a person may be, or what terrible things they have done in their life, there is goodness in all people and that is the basis of warranting salvation. This fraction of goodness is enough to excuse their sinful behavior and that means they will not be lost for all eternity! When people use "*selective*" Scriptures, they can weave this concept of belief into a reality so people can just live anyway they please and no fear of God.

Have we not read about the Jews and their rejection of God? ***"For if God did not spare the natural branches, He will not spare you, either. Behold then the kindness and severity of God, to those who fell, severity, but to you, God's kindness, if you continue in His kindness; otherwise you also will be cut off."*** (Romans 11:22-23)

***"For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men who suppress the truth in unrighteousness."*** (Romans 1:18)

"There is none righteous, not even one; there is none who understands, there is none who seeks for God; all have turned aside together they have become useless; there is none who does good, there is not even one." (Romans 3:0-12)

Without Jesus and our love for Him, placing our faith in His truth, there will be none saved.  
Jesus is the only way to God for now and all of eternity. Teach your children and one another.  
Think about it!!!

*Brent*
